Admiral Souers has referred to me your letter of 12 November relative to possible employment with the Central Intelligence Agency. I am enclosing forms for application for employment and Personal History Statements which it will be necessary for you to complete and return before we can further consider your desires. In this connection it will also be necessary for us to be assured of a specific date on which you will revert to an inactive status before we can go any further.

Upon receipt of the completed forms, together with information as to the date on which your military status will become inactive, we will determine whether we have a vacancy which will fit your particular qualifications and contact you further as to specific possibilities.

I wish to express my appreciation for the interest you have indicated in this agency.

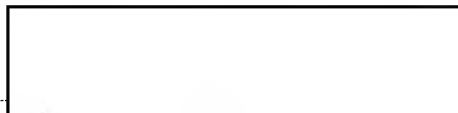

Sincerely,

R. H. HILLENKOTTER
